## **Career Objective:**

I am looking for an opportunity in a reputed organisation that will help me deliver my best, upgrade my engineering skills, and meet the organisation's demands.

## **Experience:**

I received Industrial training at Global India Technologies—Ahmedabad from Jan'11 To May'11, during which time I worked on Windows-based applications in VB.Net. This experience widened my skills and knowledge of academic learning.

I have six months of teaching experience as a visiting faculty at MLIDS, Bhandu. I have also worked as a lab assistant at S.P.B. Patel Engineering College for over a year.

I have Industrial training in CCNA at Tac Global Network – Baroda.

## **Research work:**

Research Topic: M.E Dissertation “Efficient Flooding Mechanism for Routing in MANET”.

## **Papers published:**

- “Efficient Flooding Mechanism for Routing in MANET: Survey paper” was published by the Saffrony Institute of Technology International Conference on Advances in Engineering (silicate 2015), and its impact factor is 2.165.
- “Efficient Flooding Mechanism for Routing in MANET” was published by the International Journal of Advance Engineering and Research Development, and its impact factor is 3.134.
