A visit was planned to Alaras dairy farm, Kamdhenu University, Anand for the 3rd year students of B.Tech Dairy Technology dated on 06/08/2024. The purpose of visit was to understand the milk procurement practices at cattle farms. The visit was led by Dr. Rajeev Kumar, Assistant professor, Department of Dairy Technology under the supervision of Dr. Mitesh Shah, Head of the department.

The Alaras cattle farm was established in the year 1979 and a constituent body of Kamdhenu University. The cattle farm has the availability of crossbreed's approximately 200 as well as large number of indigenous species of Gir and Kankrej. The total production of milk is 1700 liters per day with 120 milking cattle. As we know that milk is a raw material used for dairy products, generally obtained from cattle and the quality of milk and yield is influenced by the hygienic, milking methods and feeding practices. Students got exposure about knowledge of various breeds of cattle, machine milking, silage production, feeding practices, Artificial insemination, caring of animals, and construction requirement of cattle farms. The event could n't be successful without the valuable presence of Dr. K. N. Wadhvani, Research Scientist, Alaras cow farm, Kamdhenu University.
